Sir.

Subject:- Supply of Goat's milk to the army.

I have the honour to request the Mysore State Government to lease 100 acres in the forest area known as MALAKAVAL State forests, CHARPPA BHARPPHE (Near VRISHNTHAHU opposite to the Railway Station) to Messrs. Raja Ram & Co., Cavalry Road, Bangalore for the purpose of establishing a milch Goat Farm to supply fresh milk to the army in Bangalore.

2. It is recognised that there is a serious shortage of fresh milk in this area and Messrs. Raja Ram & Co., are the only individuals who are willing to invest capital in this new industry.

3. In the circumstances, they have every encouragement and as the state will undoubtedly benefit in the post-war period by the importation of valuable stud animals from other parts of India, it is requested that the land is leased free of rent as a special concession for the duration of the war.

4. The area specified in paragraph 1 is particularly suitable for this experiment in view of its proximity to Bangalore where the milk will be used.

Any objection by the Forest Department may be met by protective measures to ensure that young trees are not damaged.

5. In view of the acute shortage of fresh milk and the necessity for its provision, it is hoped that the Mysore State Government will treat this as an additional war effort and favour us with an early r

Re: Supply of Goats' Milk to the Army.

With reference to your reminder No.C.L.O. 363/43-44 dated the 29th Ultimo on the above subject, I have the honour to state that as goat browzing in State Forest is strictly prohibited as per rules, I have called for a report from the District Forest Officers Bangalore ~~and~~ District about the existing growth of sandal and other valuable trees in the area proposed.

I will furnish my opinion in the matter as soon as the District Forest Officer's reply in the matter is received.

LETTER NO.M.63.475 of 43-44, dated the 15th March 1944, from the Chief Conservator of Forests in Mysore, Bangalore, to the Revenue Commissioner and Civil Representative in Mysore, Bangalore.

Supply of Goats Milk to the Army.

With reference to your letter No.C.L.O.363 of 43-44 dated the 10th ultimo, I have the honour to state that in view of the cultural operations carried out in Mallegalvalley State Forest at great cost, the existence of the large number of sandal trees in it and its suitability for experimental planting operations, it is not considered desirable to spare it for a milk Goat Farm, Jarakabande 'A' plantation which is about 312 acres in extent and is a non-sandal area can however be leased out for the purpose if Messrs. Rajaram & Co., are agreeable to have it. This plantation is about 1½ to 2 miles from the prisoners of war camp No.2 (near Bettahally) and seems also to be suitable for the purpose.

The rent will be fixed and intimated if the area is selected. The area cannot be given out free of rent as it involves the strengthening of protective establishment etc., to ensure protection of the tree growth in the other plantations round about.

Supply of goat's milk to the army - Leasing of forest area.

With reference to your letter No. D.F.42-44/Pol., dated 5th February 1944, on the above subject, I am directed to state that for various reasons it is not possible to spare the Kallegalvalley State Forest for the goat farm.

It is reported that Jarakabande 'A' plantation which is about 1½ to 2 miles from the Prisoners of War Camp No. 2 (near Bettahally) and is 312 acres in extent is suitable for the purpose. There will be no objection to lease it out if Messrs. Raja Ram and Company are
